

Interstate Orders Terms and Conditions:

- **Product Description and Inspection:** By placing an interstate order with us, you acknowledge that you are purchasing the products without physical inspection. The products will be supplied exactly as shown on our website.
- **Expectations:** Due to the lack of inspection, there may be differences in expectations regarding the products. While we strive to accurately represent our products online, we cannot guarantee that they will meet every individual expectation.
- **Return Policy:** You are welcome to return the products within 30 days of receipt at your own cost of freight. No questions will be asked regarding the reason for the return.
- **Damage Reporting:** Any damage to the products must be reported to us within 7 days after receipt. Failure to report damages within this timeframe may affect your eligibility for a return or replacement.
- **Return Process:** To initiate a return, please contact our customer service team for further instructions. The returned products must be in their original condition and packaging.
- **Refund or Replacement:** Upon receipt of the returned products and verification of their condition, we will process either a refund or replacement, depending on your preference and the availability of stock.
- **Exclusions:** This return policy does not apply to products that have been customized or altered in any way, or to products that have been used or damaged due to misuse or negligence.

- **Limitation of Liability:** Our liability for any damages or losses arising from interstate orders is limited to the purchase price of the products.

By placing an interstate order with us, you agree to abide by these terms and conditions. If you have any questions or concerns regarding these terms, please contact us before placing your order.
